About us

We are a wholesaler in Home Living, Decoration and Furniture. With our roots in Home Living Retail, wholesale showrooms in Hoorn and Brussels, many shop in shops and over a 1.000 retail outlets across Europe, we have become a recognizable brand in the Home Living industry.

Our mission at Lifestyle Home Collection is to let you enjoy the everyday things of life. Offering the right items to emphasize the personal atmosphere at home. And to give you a comfortable and familiar feeling so you can enjoy the moment. With a unique presentation, we create a surprising and inspiring experience.

Our collection consists of basic and seasonal items which together make a very commercial and balanced assortment. The basic collection is the foundation. The seasonal collection contains articles that follow the latest trends in the residential sector and are surprising and exciting. The absolute top items of the seasonal collection are included in the basic collection. At Lifestyle Home Collection we launch a new collection twice a year which contains decoration as well as furniture. Produced and adapted to a distinctive style theme, so that there is an inspiring assortment for every style of living.

All items are created with love and passion and often hand made. Modern styles are interspersed with classic designs. From hand-woven fabrics to design lighting. Beautiful furniture forms the base of the interior and together with our eye catching home decoration it creates stunning homes.

Since a few seasons we included a special collection aimed at the project market. Together with our customers and our creative team we developed unique products for hotels, restaurants and holiday houses with a great atmosphere. If you are looking for custom made articles for your projects, you are also at the right place! With these custom made items you can offer your customers a unique experience.

2025 AUTUMN/WINTER COLLECTION

The Lifestyle Home Collection for Autumn/Winter 2025 brings a fresh, modern look to your interior. This collection is elegant with a slight touch of Scandinavian design, and it offers the perfect blend of warm, natural tones to add colour to your interior. Everything comes together as a stylish, cosy whole, with eye-catching products that really bring your interior to life.

This season's colours are brown, taupe, olive and warm ecru. These tones bring calm and warmth to your home. They are subtle colours that are sure to give your home a fresh update. Vases, candle holders and even candles are finished in the colours. Our new genuine wax LED candles offer the charm of real candles but with the safety and convenience of LED lighting.

Our tables have also been updated so you can now combine the wooden Atlanta dining table in various colours with wooden legs of the same colour. They are versatile and a real mix & match item. You can combine a natural-coloured table top with walnut-coloured table legs, or you can choose to have everything in one colour. Create your own oasis.

The collection has been expanded with our walnut-coloured wooden side tables that stand out thanks to their refined finish and soft shapes. The rich walnut wood colour radiates warmth – exactly what this collection stands for. The amber mirrors match perfectly. Their organic shape makes them real works of art that enhance the warm atmosphere. The new ceramic side tables in seasonal colours are an eye-catcher in any interior.

In addition, there are new wall decorations and mirrors in organic shapes and seasonal colours. The walnut frame of the wall decoration ensures a perfect match with the rest of the collection. Finish the scene with rugs that fill the space, and fill the sofas up with cushions, each woven differently so each cushion has its own pattern.

Together, this collection forms a warm and exciting whole. The modern retro/Scandinavian design comes to life thanks to the use of materials such as walnut wood, organic shapes, and soft colours. The result? An interior that feels warm, elegant and colourful, perfectly balancing nature and contemporary style.

The Lifestyle Home Collection for winter 2025 is the ultimate way to give your home a fresh update.

Life is beautiful and we show it...
