ABOUT US

We are a wholesaler in Home Living, Decoration and Furniture. With our roots in Home Living Retail, wholesale showrooms in Hoorn and Brussels, many shop in shops and over a 1.000 retail outlets across Europe, we have become a recognizable brand in the Home Living industry.

Our mission at Lifestyle Home Collection is to let you enjoy the everyday things of life. Offering the right items to emphasize the personal atmosphere at home. And to give you a comfortable and familiar feeling so you can enjoy the moment. With a unique presentation, we create a surprising and inspiring experience.

Our collection consists of basic and seasonal items which together make a very commercial and balanced assortment. The basic collection is the foundation. The seasonal collection contains articles that follow the latest trends in the residential sector and are surprising and exciting. The absolute top items of the seasonal collection are included in the basic collection. At Lifestyle Home Collection we launch a new collection twice a year which contains decoration as well as furniture. Produced and adapted to a distinctive style theme, so that there is an inspiring assortment for every style of living.

All items are created with love and passion and often hand made. Modern styles are interspersed with classic designs. From hand-woven fabrics to design lighting. Beautiful furniture forms the base of the interior and together with our eye catching home decoration it creates stunning homes.

Since a few seasons we included a special collection aimed at the project market. Together with our customers and our creative team we developed unique products for hotels, restaurants and holiday houses with a great atmosphere. If you are looking for custom made articles for your projects, you are also at the right place! With these custom made items you can offer your customers a unique experience.

Life is beautiful and we show it...
