About us

We are a wholesaler in Home Living, Decoration and Furniture. With our roots in Home Living Retail, wholesale showrooms in Hoorn and Brussels, many shop in shops and over a 1.000 retail outlets across Europe, we have become a recognizable brand in the Home Living industry.

Our mission at Lifestyle Home Collection is to let you enjoy the everyday things of life. Offering the right items to emphasize the personal atmosphere at home. And to give you a comfortable and familiar feeling so you can enjoy the moment. With a unique presentation, we create a surprising and inspiring experience.

Our collection consists of basic and seasonal items which together make a very commercial and balanced assortment. The basic collection is the foundation. The seasonal collection contains articles that follow the latest trends in the residential sector and are surprising and exciting. The absolute top items of the seasonal collection are included in the basic collection. At Lifestyle Home Collection we launch a new collection twice a year which contains decoration as well as furniture. Produced and adapted to a distinctive style theme, so that there is an inspiring assortment for every style of living.

All items are created with love and passion and often hand made. Modern styles are interspersed with classic designs. From hand-woven fabrics to design lighting. Beautiful furniture forms the base of the interior and together with our eye catching home decoration it creates stunning homes.

Since a few seasons we included a special collection aimed at the project market. Together with our customers and our creative team we developed unique products for hotels, restaurants and holiday houses with a great atmosphere. If you are looking for custom made articles for your projects, you are also at the right place! With these custom made items you can offer your customers a unique experience.

2025 SPRING/SUMMER COLLECTION

The Lifestyle Home Collection for summer 2025 brings a fresh, modern look to your interior. This collection is elegant, with a slight retro and Scandinavian feel, and offers the perfect blend of warm, natural tones that add colour to your interior. Everything comes together in a stylish, cosy whole, with eye-catching products that really bring your home to life.

This season’s colours are brown ochre, grey olive and warm ecru. These tones bring calm and warmth to your home. They are subtle colours that refresh your interior. Vases, candle holders and even candles are finished in these colors. Our new, made of wax, LED candles offer the charm of real candles, but with the safety and convenience of LED lighting.

The high-gloss tables are the most innovative items in this collection. The glossy finish plays with the light and gives your space a vibrant and inviting look. The Medora dining room table has a playful leg detail that adds luxury and dynamism. The minimalist Challis coffee tables have an almost invisible leg, which makes them blend into your interior perfectly. The high-gloss finish creates a timeless look that makes a statement.

The collection has been expanded with walnut cabinets that are distinguished by their playful layout. Cilou and Cornelis combine functionality and aesthetics. The rich walnut wood exudes warmth, and that is exactly what this collection represents. The amber mirrors match perfectly. The organic shape turns these mirrors into real works of art that enhance the warm atmosphere.

There are also many new wall art items in this collection. The Claudia ceramic wall art, available in three versions, features a playful design of surfaces. The ecru finish is our most popular and also features in many of our vases. There are also new wall art pieces in travertine and prints with an organic pattern and this season's colours. The walnut frame ensures a seamless blend with the rest of the collection.

The new Riverside and Dentsville dining chairs, with a rotating taupe base, give your dining space a relaxed, modern feel. Not only are they stylish, they are also super comfortable. If you prefer a more striking chair, Waco is the chair for you. This dining chair is fully upholstered with printed fabric in sand or brown. There is even an armchair with matching footstool available in this pattern fabric. These are the real eye-catchers of this collection and make it complete!

Together, this collection forms a warm and exciting whole. The modern retro/Scandinavian design comes to life with the use of materials such as walnut wood, organic shapes, and soft colours. The result? An interior that feels warm, elegant and colourful, with a perfect balance of nature and contemporary style. The Lifestyle Home Collection for summer 2025 is the ultimate way to refresh your home!

Lots of love,
Team of Lifestyle Home Collection
